3. **Outcomes of the activity achieved:**

Participants gain a better understanding of COVID-19 symptoms, transmission, prevention measures, and vaccination information. All got aware of the importance of practicing hygiene, social distancing, wearing masks, and following local health guidelines to prevent the spread of COVID-19.

4. **Description of activity:**

The COVID-19 awareness quiz is an activity designed to educate participants about various aspects of the COVID-19 pandemic. A set of multiple-choice or true/false questions covering topics such as COVID-19 symptoms, transmission, prevention measures, vaccination information, and current guidelines from health authorities. Additional resources such as informational pamphlets, posters, or online links may be provided to participants for further reading and reference.

5. **Activity Experience:**

a. **Outcome wise description of observations/explanations**

This quiz provoked participants to adopt safer behaviors, such as washing hands frequently, avoiding large gatherings, and seeking medical advice if experiencing symptoms.

b. **The concept/principles/procedures learn as the result of activity.**

Participants become more aware of the importance of practicing hygiene, social distancing, wearing masks, and following local health guidelines to prevent the spread of COVID-19.

c. **Application of observation/experience in professional life/work**

COVID-19 awareness quiz empowered individuals with the knowledge and tools needed to protect themselves and others from the virus, ultimately contributing to the collective effort to mitigate its impact.

d. **Summary & conclusion**

COVID-19 awareness quiz provided us with an opportunity to enhance our understanding of the pandemic and its implications. Through engaging quiz questions and discussions, we've deepened our knowledge about COVID-19 symptoms, transmission, prevention measures, and vaccination efforts. By participating in this activity, we've not only increased our own awareness but also contributed to the collective effort to combat the spread of the virus. As we move forward, let's continue to stay informed, follow health guidelines, and support one another in navigating these challenging times. Together, we can overcome this pandemic and emerge stronger than before. Thank you for your participation and commitment to keeping our community safe.
