OBJECTIVE OF ENTREPRENEURSHIP AWARENESS CAMP

To create awareness among faculty members and students of Pharmacy, Engineering and Science courses about various facets of entrepreneurship as an alternative career option as also to highlight the merits of pursuing such an option. The target Group of the camp are Pharmacy, Engineering and Science and Technology graduates/diploma holders or those who are doing their final year diploma/degree in Pharmacy/engineering/technology/science.

NEED FOR ENTREPRENEURSHIP

Successful entrepreneurs have the aptitude to transform the way we live and work, their successful innovations may improve standards of living, and in addition to creating wealth. Entrepreneurs also create jobs and contribute to a growing economy. Furthermore Entrepreneurial ventures add to National Income by generation of new wealth. New and improved products, services or technology from entrepreneurs enable new markets to be developed and new wealth to be created. Moreover, enhanced employment and higher earnings contribute to better national income in the form of higher tax revenue and higher government spending.

Y.B. CHAVAN COLLEGE OF PHARMACY
