**About the activity:**

The Holistic Health Club under AICTE-SPICES in association with Health Aid Committee organized a seminar on "Mental Health Awareness" on the occasion of World Mental Health Day on 12th October 2022. The program began at 11.00 A.M in the YBCCP Auditorium. The Resource Person was Dr. Aziz Ahmed Quadri who is the Founder and Director of Dr. A.A. Quadri's Mental Health Centre, Aurangabad.

The program was conducted under the guidance of Dr. Syed Ayaz Ali (Health Aid Committee In charge). Dr. Marzooka Chishti (SPICES Coordinator), Mr. Mukhtar Khan (Activity In charge),

Dr. Furquan Khan (SPICES Co-coordinator), and Dr. Abubakar Bawazir (Convener & I/C Principal).

The program commenced with the felicitation of the spokesperson and a welcome address by the principal. Various areas like anger management, the harms of using a mobile phone, developing tolerability and being stable in adverse circumstances, keeping a positive attitude in failure, and the importance of spirituality in mental health were discussed. He discussed the objectives of mental health action plan and how to achieve it for overall development of self growth and society. The session was concluded by presenting the speaker with a certificate and a memento and later a vote of thanks by Dr. Syed Ayaz Ali.

#### **Benefit in terms of learning/skill/knowledge obtained:**

- To create awareness on mental health issues in the population by informing the public about it, so as to facilitate early identification and treatment of such problems.
- To reduce the misconceptions and stigma, and encourage those suffering to seek help and find a support network.

#### **Feedback:**

The students found the session to be informative, the mental health issues discussed by the speaker was considered to be very prevalent in today's techno savvy youths; the audience strongly agreed spirituality plays an important role in achieving sound mental health balance. The club members look forward to participate in such kind of activities in future.
